

# BCAN Resources for Bladder Cancer Patients and Caregivers

BCAN provides free educational resources and the support services patients and their families need to navigate their bladder cancer journey.

## Educational Resources

Learn about your disease.  
Be active in your care.

### Bladder Cancer Basics for the Newly Diagnosed

BCAN's recently updated and redesigned handbook is available, free of charge to help bladder cancer patients and their caregivers learn about their diagnosis and treatment options to enable them, with the help of their medical team, to make informed choices about their continued medical care.

*Available for download or have a free hard copy mailed.*

[www.bcan.org/handbook](http://www.bcan.org/handbook)

### Bladder Cancer Clinical Trials Dashboard

Visit our dashboard to learn about the most up-to-date information on bladder cancer clinical trials and search by disease type and in multiple states.

[clinicaltrials.bcan.org](http://clinicaltrials.bcan.org)

### Patient Insight Webinars

Nationally recognized bladder cancer experts address important topics related to bladder cancer diagnosis, treatment, quality of life, and ongoing research.

[www.bcan.org/webinars](http://www.bcan.org/webinars)

### “Get the Facts” Single Topic Sheets

Nationally recognized bladder cancer experts address important topics related to bladder cancer diagnosis, treatment, quality of life, and ongoing research.

[www.bcan.org/get-the-facts](http://www.bcan.org/get-the-facts)

### Expert Explanations

Leading experts provide in-depth information on bladder cancer topics:

- Bladder Cancer Preservation
- BCG

[www.bcan.org/expert-explanations](http://www.bcan.org/expert-explanations)

### The New Normal | Living with a Urinary Diversion

Bladder cancer survivors give voice to their choice, illustrating the day-to-day impact these surgeries have on a survivor.

[www.bcan.org/the-new-normal](http://www.bcan.org/the-new-normal)

### Conversations: Let's Talk About Bladder Cancer

BCAN Co-Founder Diane Zipursky Quale interviews experts who speak on research, treatment and quality of life.

[www.bcan.org/lets-talk-about-bladder-cancer](http://www.bcan.org/lets-talk-about-bladder-cancer)

## Support Services

You don't have to do this alone.  
BCAN is here to help.

### Survivor 2 Survivor

Survivor 2 Survivor connects diagnosed patients and caregivers with other survivors or caregivers who have gone through their own bladder cancer journey.

Call 888-901-2226 (BCAN) ext. 212

### BCAN Connection

A support line staffed by volunteers for anyone affected by bladder cancer. Volunteers provide practical information and resources to assist bladder cancer patients and their loved ones.

Call 888-901-2226 (BCAN) ext. 207

### In-Person Support Groups

Bladder Cancer Support Groups are listed on this webpage by state.

*Canadian groups are at the end of the list.*

[www.bcan.org/in-person-support-group](http://www.bcan.org/in-person-support-group)

### BCAN on Inspire

BCAN's online support community for bladder cancer patients, survivors and caregivers with nearly 30,000 members.

[www.bcan.org/online-support-community](http://www.bcan.org/online-support-community)

### Veterans and Bladder Cancer

See resources for veterans, including a Patient Insight Webinar focused on the physical and emotional impact of bladder cancer unique to our veteran population.

[www.bcan.org/veterans-bladder-cancer](http://www.bcan.org/veterans-bladder-cancer)

### Women and Bladder Cancer

Many women dismiss blood in their urine and are often misdiagnosed resulting in a delayed and more advanced diagnosis. Learn more about resources for women.
