

Inspiring Excellence in the Bladder Cancer Community

...a special two-day conference to *educate, engage, and energize* BCAN volunteers!

Friday, October 13 – Saturday, October 14, 2017

Hilton Rockville Hotel & Executive Meeting Center | 1750 Rockville Pike, Rockville, MD 20852

BCAN's **Leadership Summit** participants will:

- Understand the role and impact of clinical trials in the advancement of bladder cancer treatment.
- Understand the variety of cancer research advocacy opportunities.
- Understand how clinical trials contribute to the drug development process
- Discuss recent and upcoming bladder cancer research advances
- Identify best practices for raising awareness of bladder cancer in a community
- Identify bladder cancer legislative issues for 2018 and beyond
- Understand how BCAN programs and services can help in the bladder cancer journey
